**PROFESSOR MATT** is perpetually 8 years old but has behaved like a full-grown "Scientist" since anyone can remember. Known for being overly precocious and often incorrect, the nickname "Professor" was given by Mrs. Stover to the child in the Autumn of first grade...some might say sarcastically. However, the name stuck, and Professor Matt is well on their way to entering the FOURTH grade. Professor Matt plays the piano very well for an 8 year old. Rock on!  
This was written by Professor Matt, if you couldn't tell. Ok. Bye bye!

**HEROES:** Professor "Doc" Brown, Pee Wee Herman and Super Grover  
**FAVORITE FOOD:** MAC AND CHEESE! (Plant-based, please!)  
**BEST FRIEND:** GERTI!!!

**GERTI** is a superhero in training trying to save the world one silly song at a time. Named after one Dr. Gerty Cori, the first female scientist to win the Nobel Prize in medicine, she hopes to one day be a great scientist or a superhero - maybe Spidegirl! (she's still undecided). She loves to sing, dance and learn new things! She loves to make new friends, and she can't WAIT to meet all the new Clubhouse kids!  
SEE YA SOON!

**HEROES:** Dr. Gerty Cori, my mom, my mom's friend Linda and Abby Cadabby!  
**FAVORITE FOOD:** LEAFY GREENS  
**BEST FRIEND:** Professor Matt and my mom

Oh we like sunshine and bees- And the swingin' of the trees- The clouds as they pass on their way...  
Oh we like science-y things- And of course, we all sing- And we do so most everyday!

Sure as dogs scratch as fleas- And he likes Mac and Cheese-

There's something that we **LOVE** more!! (And that would absolutely be-)

**Greens!!!**  
Those Leafy Greens!  
They're delightfully delicious- Superdy-Dupe nutritious- And they keep us growin' into our teens!

In case you don't know what this song means...

### THE SONG ABOUT A SPIDER

I used to sing songs about spiders in school- Back then, they seemed pretty cool- BUT, if I saw an eight-legged creature headin' my way- I'd scream at the scene! It would ruin my day!

When I see a spider, I just start to run!  
I don't think they are cute!  
I don't think they are fun!  
I could smash 'em all up with my shoe!  
Then the walls would be covered in goo!

Just cause you don't understand it- Doesn't mean it's cause for panic!  
The Itsy Bitsy Spider looks disagreein'- But just remember it's a Livin' Being!

Just cause you don't wanna see it- Doesn't mean that you can't free it!  
The Itsy Bitsy Spider lookin' so alone- Prolly just wants a chance to get back home!

#### Yeah!

Just cause you don't understand it- Doesn't mean it's cause for panic!  
The Itsy Bitsy Spider looks disagreein'- But just remember it's a Livin' Being!

#### Yeah!!!

Imagine yourself feeling happy!  
Imagine a beautiful day!  
And we can all feel it again and again- And again and again...
